

REMARKS

Double Patenting

Claims 1-18 are provisionally rejected under the judicially created doctrine of obviousness-type double patent as being unpatentable over claims 1-32 of copending Application No. 10/321,142. A Terminal Disclaimer is being filed with this response in compliance with 37 CFR 1.321(c) to overcome this rejection. Application No. 10/321,142 is commonly owned with this application. Please charge the \$110.00 fee application for filing the Terminal Disclaimer to Deposit Account 04-1928 (E. I. du Pont de Nemours and Company). If this fee is insufficient or incorrect, please charge or credit the balance to the about-identified account.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'K. Kaeding', written over the printed name.
